DETAILED ACTION

Allowable Subject Matter

1. Claims 1-7, 9 and 10 are allowed.
2. The following is an examiner's statement of reasons for allowance:

In the previous Office Action, Hata et al. was relied upon for teaching "a plurality of speech items, that represent various ligatures for the single inflection of the single speech item with adjacent speech items..." Independent claim 1 has been further amended to require "recordings for a single inflection of a single speech item are a limited set of recordings that represent a limited set of ligatures with adjacent speech items including only recordings having a vowel at either end and recordings having no surrounding ligature distortions..." While Hata et al. generally teach a system that represents various ligatures for a single inflection of a speech item, Hata et al. do not disclose or suggest the recordings include only recordings having a vowel at either end and recordings having no ligature distortions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
